How does CCC's giving program work?

Families in need are referred to the Christmas Clearing Council by agencies that qualify them based on income, residence and placement.

Sponsorship is one of the cornerstones of the CCC giving program. Through sponsorship, families in need are matched with an individual, family or organization that wishes to help them on a one-to-one basis. Families that are not sponsored are invited to a Toy Shop on a

Saturday before Christmas, where they are able to select new toys and gifts for their children. Toy Shop gifts are donated through local toy drives or at public toy collection sites throughout the county.

All of this is accomplished by hundreds of community volunteers, part-time staff, a volunteer board of directors and hundreds of generous donors throughout the county.
