June 3-5, Crowne Plaza – Milwaukee

With a record setting attendance, 400 Vincentians from the six-state region attended the 2010 North Central Regional meeting.

The meeting's theme, *The Vincentian Journey* encapsulates the sessions that were offered. Centered on Spirituality, prayer and reflection, presentations offered a better understanding of the Vincentian vocation, servant leadership, and conference operations as we in today's world strive to journey beside Ozanam and Vincent. Those who took the opportunity to attend, shared their Vincentian experiences, gained a better insight into the Society and learned how to better serve the poor and disadvantaged. In essence, they left better informed and more committed Vincentians.

In 2011, the North Central Region meeting will be held June 2-4, 2011 in Peoria, Ill. Waukesha will promote attending the NCR meeting event throughout the year and will look to reserve a bus and the opportunity to travel together to this event. What fun! Mark your calendars now. More information will surface throughout the year as plans progress.

Special thanks to the Milwaukee Archdiocesan leaders and staff for hosting the 2010 North Central meeting. Your hard efforts shined.

WAUKESHA COUNCIL BREAKFAST MEETING

St. Joseph conference hosted a fabulous Council Breakfast meeting on June 29th. Vicky Santa Lugo and Carol Schueller served as chairpersons of the event but it took a joint effort by many to make it a success!

Conference members set up the day before, Boy Scouts helped serve and Ken Fenske owner of Edgewood Greenhouse provided the beautiful flowers.

Dan Scholz, author of *Jesus in the Gospels and Acts: Introducing the New Testament*, served as special guest speaker and stood true to his reputation. He captivated members with insight, wit and humor reflecting on the Vincentian calling in today's world. Bea Sikorski, St. James Mukwonago commented 'I could listen to Dan Scholz all day long'. -- Terry Lehnen, St. James in Menomonee

Falls, commented 'what a great speaker!' Guests enjoyed the presentation and it is our hope Dan Scholz will join us for another event in the future!

As a finale, St. Joseph provided guests with a big surprise! Led by instructor, Leticia Compos St. Joseph's Youth Dance Group entertained guests with Mexican Traditional Dance. Thank you St. Joes Waukesha for a prayerful and delightful meeting! St. Joseph Conference in Big Bend will host the next Waukesha Council Breakfast meeting on September 12. Plan to attend!

ST. DISMAS JAIL MINISTRY

National Friends of the Poor Grant Recipient

The Jail Ministry was very excited to learn that they were awarded a \$4,000 grant from the National St. Vincent de Paul Friends of the Poor initiative. Only about 40 grants are awarded nationally. The group immediately invested the grant money into their Aftercare Program. \$4,000 will cover Aftercare needs for about a month and a half and will greatly help their outreach to people recently released from the WI Corrections System.

Would you like to learn more about the National's Friends of the Poor Grant? Check it out in the Members' Toolbox section on our website:

2nd Annual St. Dismas Jail Ministry Pot Luck Dinner

The St. Dismas Jail Ministry will host their 2nd Annual pot luck dinner on Thursday, September 30th. Members of the St. Dismas Jail Ministry will unite to celebrate their work and shared passion to improve lives of inmates and of those recently released from the WI Corrections System. The event is centered on faith, prayer and the special bond they hold as brothers and sisters in this wonderful ministry.

ST. CATHERINE CONFERENCE

Led by Karen Owen, St. Catherine's Spiritual Advisor, conference members held a pilgrimage to Holy Hill on July 28 to pray for their Priest, Fr. Dave Verhasselt.

Fr. Dave was placed on administrative leave by Archbishop Jerome E. Listecki April 19, after an allegation surfaced in November 2009 that he had violated the seal of confession. Until the investigation is complete, Fr. Verhasselt is restricted from public ministry according to canon law. This includes being involved with parish life at St. Catherine.

Fr. Dave served at St. Catherine for 16 years. While the conference and fellow parishioners understand the process needs to take its course, many say coping with the absence of their parish priest is great.

St. Catherine parishioners were also invited to join the St. Vincent de Paul conference on their pilgrimage to Holy Hill to do what they do best; pray together, united as a family.

HOLY APOSTLES CONFERENCE

Now this is how to get the word out! Fellow parishioners always know what their St. Vincent conference is doing. In a most recent edition of their parish bulletin, Mary Klingbeil, chairperson of their conference's week for the Summer Lunch Program sought help from parishioners through their parish bulletin. The article explained the program in depth and went on to invite all parishioners to join in their outreach by donating items to help support their efforts. The plea was heard! Several donations surfaced. Ask and you shall receive! Involve your fellow parishioners in your projects and let them know what you are up to! People will follow. Kudos Holy Apostles!

ST. THERESA CONFERENCE

As a result of the tornados that hit the Eagle area on June 22, 2010, fifty (50) homes were destroyed and more than 100 homes were damaged. The Waukesha Council immediately responded by sending \$3,000.00 to St. Theresa Conference and followed with a plea to fellow Waukesha Council Conferences to also help the group assist the disaster victims. Thanks to many individuals, members, and conferences, more than \$3,000.00 additional funds were donated to the Disaster Fund.

Judy Rozinski, St. Theresa Conference President recently reported most victims had insurance coverage however many families found difficulty in coming up with high insurance deductibles. For some, rebuilding and/or repairing was put on hold. The conference helped families with food, clothing, school supplies and in one instance helped a family with a utility bill allowing them to pay the deductible so work could begin on their home. Judy extended a special thank you and many blessings to all who have supported the St. Theresa conference.

SUMMER LUNCH PROGRAM

The Summer Lunch Program at Haertel Field Park has come to a close. Each day, Monday - Friday, St. Vincent de Paul members and volunteers prepared and served a bag lunch to needy children in the inner city of Waukesha.

The program ran during the kids' summer school break, June 10th - August 27th. Partnering with the Waukesha Park, Recreation and Forestry Department Park's Program, the kids enjoyed a fun-filled summer.

Thirteen (13) Waukesha Council conferences participated: Blessed Theresa, North Lake; Holy Apostles, New Berlin; Queen of Apostles, Pewaukee; St. Anthony, Pewaukee; St. Catherine, Mapleton; St. Dominic, Brookfield; St. James, Mukwonago; St. Jerome Oconomowoc; St. Joan of Arc, Nashotah; St. John Neumann, Waukesha; St. John Vianney, Brookfield; St. Joseph, Big Bend, St. Luke, Brookfield.

Special thanks to conferences and all the parishioners who donated time, food items, beverages and paper-goods. YOU are why this program is so successful.

An additional 183 children received a backpack filled with supplies for a total of **576 children assisted through the St. Vincent de Paul Back-to-School Program in 2010**. Thanks to all conferences and parishioners and volunteers who helped with parish drives, packet assembly and distribution. A NEW TRUCK!

In early June, members determined through a unanimous vote to replace our truck. The 2000 GMC served us well for many years, but weather and wear left its mark and didn't leave a very good image of the Society. Compiled with multiple maintenance and repair issues, it was time. Within two weeks a like new 2008 GMC truck was purchased. Now we truck down the highway across Waukesha County in style! Pictured to with our new truck is Baltazar Caraballo, truck driver assistant.

VOLUNTEER APPRECIATION
Celebrating Store Volunteers!

Oconomowoc held a Volunteer Appreciation luncheon in April at Georgina's Restaurant in Oconomowoc. Thirty two (32) volunteers enjoyed a lunch of their choice, received a gasoline gift card and a store gift certificate.

Waukesha held its volunteer celebration during the month of July. Monday's volunteers enjoyed a lunch on a Monday – the Tuesday group on a Tuesday – Wednesday's volunteers on Wednesday, etc. As a finale, on Saturday, July 28 an outdoor cookout was hosted for all volunteers and employees.

At each event, a clear message was offered to all of our volunteers: **The success found in our locations is due to the great efforts and dedication of our volunteer teams. We couldn't do it without you! Thank you for sharing your time, talents and outreach at our Thrift Stores. We appreciate you.**

At all of the events during Volunteer Appreciation Week you could hear bantering back and forth and laughter and it is evident that volunteers and employees are a close knit group, much like a family ... A St. Vincent de Paul family. Thank you Volunteers!

A VOLUNTEER TAKES THE EXTRA STEP! ~Waukesha

Long time employee Shirley Hofstetter was packing up small appliances to take to the sales floor. She noticed an un-priced item, a machine from Oxygen One, Inc. What is it? How to price?

Hofstetter took the name and model number off the piece of equipment and checked it out on the internet when she got home that evening. She found the company to be local and made a phone call.

The machine was an Oxygen Concentrator, used by people who have sleep apnea valued in the range of \$1,000. - \$2,000. People usually receive the equipment through their insurance companies for use on a temporary basis. The equipment is rarely purchased and users are held responsible for its return. Hofstetter confirmed the serial number and through a tracking process identified that the unit was from Oxygen One, Inc. A family had donated the item to St. Vincent de Pau after the loss of a loved one.

The company sent a currier to pick up the machine and the family will not face additional charges.

We may have not made a sale that day, but the integrity of St. Vincent de Paul was upheld and noted. Oxygen One, Inc. and the donor were very appreciative of Shirley Hofstetter's efforts.

Now that's and employee taking an extra step! Blessings to you Shirley Hofstetter!

OCONOMOWOC EMPLOYEE AND VOLUNTEERS SHARE A LOT OF LAUGHS AND A BIG HUG!

While hanging and pricing, volunteer Theresia Fronczak stumbled across a great costume. Her wit and sense of humor triggered her to slip it on and call another volunteer over to join her. With room left she called Assistant Manager, Nancy Karl over. Before long all three were inside the costume, snug as a bug and full of laughs! All in a day's at work for Theresia Fronczak. She's just one of Oconomowoc's special employees that keep the workplace fun!

Pictured left to right: Theresia Fronczak, Carrie Adams and Assistant Manager, Nancy Karl

DONATE!

Oconomowoc and Waukesha greatly appreciate of all types of clothing; top of the line, gently used, ripped or torn or those simply out of date. We accept them all! We also accept household items, furniture in good condition and working large and small appliances. As part of our St. Vincent family, we depend on you, our Catholic Communities and the general public. Thank you for your support!

ST. VINCENT DE PAUL FEAST DAY, September 27

St. Vincent de Paul Feast Day has been recognized for two centuries. The lengthy list of accomplishments achieved during St. Vincent de Paul's time is an example of the standard of love and dedication that he has set for people around the world to examine as they strive to help others.

Vincetians nationwide celebrate the feast day of St. Vincent de Paul through special Masses, pulpit programs and by hosting a Friends of the Poor Walk in their communities. Locally, parish pulpit presentations hand out St. Vincent Waukesha County Bookmarks and reacquaint fellow parishioners about the Society. The Milwaukee Council and the St. William conference in Waukesha will hold their 3rd Annual Friends of the Poor Walk in celebration on September 25th.

As we continue St. Vincent's legacy of helping the poor and of performing other charitable acts, let us continue to be inspired and reflect on the life of St. Vincent de Paul.

350TH ANNIVERSARY OF THE DEATH OF ST. VINCENT AND ST. LOUISE DE MARILLAC

From September 27, 2009 to September 27, 2010 the Vincentian Family commemorates the 350th anniversary of the death of our founders St. Vincent de Paul and St. Louise de Marillac.

The theme of the Jubilee Year is 'Charity and Mission' because our mission, to evangelize and serve the poor, is motivated as always by God's love which we translate into hands-on charity, direct contact with and love of the poor.

We are celebrating our past, giving thanks to God for the wonderful examples of love that he has given us through St. Vincent and St. Louise. Bonded by a deep love of God and the poor, they carried out their mission with a passion so deep that it continues to be felt and lived in the Vincentian Family throughout the world, certainly in ways far beyond what Vincent and Louis would have imagined.

The 350 Anniversary celebration will soon come to a close. Let us carry their mission with us into the new year. Click the the Vincentian Family www.FAMVIN.org link to learn more to stay connected to our worldwide Vincentian Family.

SOCIETY ELECTS NEW INTERNATIONAL PRESIDENT

Michael Thio of Singapore was elected as 15th President General of the International Confederation of the Society of St. Vincent de Paul on May 28 at the General Assembly held in Salamanca, Spain. One hundred forty-six national council representatives, including Joe Flannigan, the U.S. Council President, were invited to attend and participate in the election.

Although there were four candidates, Michael Thio won 87% of the votes. President Thio became the first non-European president-general. He is 64 years old and has been a Vincentian since 1967. He has served in many positions of leadership in the Society as conference president, district council president, international territorial vice-president, and vice-president-general.

Thio's eagerness, passion and love of the Society brought him many travels throughout the Country. In April, 2010 he attended the National midyear meeting in St. Louis. Waukesha Council Executive Director, Julie McIntyre was blessed with great privilege to spend time with Michael Thio and Gerry Hasenstab, Regional Vice-President for the Midwest Region, on a private tour of a broken neighborhood midst rebuilding. The tour included a visit to the St. Louis's, Belleville mobile kitchen that travels daily throughout their poor communities, a visit to the Belleville Thrift Store, and concluded with the opportunity to work alongside Vincentians serving guests lunch at their eat-in diner- soup kitchen. It was a humbling experience to see poverty so great, work beside many dedicated Vincentians and to give witness to it all with such a great leader.' McIntyre said.

Congratulations Michael Thio! Special thanks to **José Ramón Díaz-Torremocha** for his eleven years service as President-General.
